-UPDATE- NORTH KING STREET DRAINAGE IMPROVEMENTS *As of July 28, 2010*

Storm Drainage and Sidewalk Installation

Weather permitting, the contractor will be installing storm sewer on the west side of N. King Street between Union Street and Oak Crest Manor Drive, as well as installing brick sidewalk along the north side of Union Street (between 20 Union Street & 237 Wirt Street).

Work will take place between the hours of 7:30 AM & 6:00 PM, Monday through Friday, unless issues arise during construction or a mechanical breakdown occurs. Lane closures will not begin until 9:30 AM and will last most days until approximately 6:00 pm. Parking will not be permitted in the work zone during these hours. Be sure to watch for posted "No Parking" signs. Vehicles in violation will be towed to the Pennington Lot on Church Street.

Project Status: Project completion end of August 2010.

To receive email notifications about this project, please send an email to csteyer@leesburgva.gov with "North King Street Drainage" in the subject line.

If you have any questions or comments, please contact: Renée LaFollette, Project Manager, 703-737-6071, rlafollette@leesburgva.gov or call the Department of Capital Projects Management at 703-737-2302.

Every effort is made to minimize inconveniences as we construct the drainage improvements.
